6. Intellectual property rights

- The Licensee hereby acknowledges that the Licensor holds all intellectual property rights in the Software and the Documentation throughout all jurisdictions in the world, and that the Licensee do not hold any intellectual property rights in, or to, the Software or the Documentation other than the right to use the Software and the Documentation, pursuant to the terms and conditions of the Licence granted to the Licensee.
- The Licensee also acknowledges that this Licence does not entitle the Licensee the right to access to the Software in source code form or any other means expressly prohibited in the Licence agreement.
- If the Licensee notifies the Licensor in writing of any defect or default in the Software that causes it to be unable to substantially perform with the purposes pursuant to the Documentation, the Licensor shall remedy the defect or fault, provided that the Licensee, in far as possible, provide proof of purchase, make available all the relevant information that may be necessary to assist and enable the Licensor to investigate and remedy the defect or fault.

7. Warranty

We warrant that:

- Where the Software is stored and distributed in the form of CD-ROM, it is free from defects in material, design and workmanship.

- The Software supplied will function on an operating system for which it was designed and perform substantially the functions pursuant to the Documentation.
- The Warranty period of this Software is 90 days. The Warranty period starts from the date of installation of the Software.
- We shall replace the defective CD-ROM free of charge if the defect occurs during the Warranty Period. You must return the defective product with proof of purchase, and submit evidence for such defect or fault.

The Warranty does not apply in circumstances where:

- Defects or Faults of the Software were results of the Licensee making any modification or alterations to the Software
- Defects or Faults of the Software were results of the Licensee using the Software for the purposes that are in breach of the terms and conditions of this agreement.

8. Disclaimer

- The Licensor is only responsible for foreseeable loss and damage caused by us. Loss or damage is considered to be foreseeable if it is obvious that it will happen, or if, at the time this Licence was made, both parties to this agreement knew that it might happen.
- The Licensor shall be responsible for damages to a device or digital content belonging to you that are caused by defective digital content that the Licensor has supplied to the Licensee. However, if the damage could have been avoided by following our guidelines and updates offered to the Licensee free of charge, or that the damage was caused by failing to follow installation instructions or that the Licensee failed to install the Software on a device with minimum system requirements advised by the Licensor, the Licensor shall not be responsible for damages incurred under these circumstances.
- You may only use this software for domestic and private purposes only. Should you decide to use the Software for any commercial, business, or resale purposes, it does not incur any liability upon the Licensor in the event of any loss of profit or business.
- You acknowledge that the Software was not developed with the intention to meet your individual needs and requirements. You have the responsibility to ensure that the specifications and functions of the Software laid out in the Documentation meet your purposes of using the Software.

9. Termination

- We reserve the right this Licence at any time by delivering a written notice to you if we have found that you have committed a material and persistent breach of the terms and conditions of this Licence which you fail to remedy within 2 weeks after the written notice requiring you to do so.
- Upon termination, all rights granted to the Licensee shall expire and cease to apply. The Licensee must terminate all activities provided by this Licence.
- The Licensee must immediately delete, erase, remove the Software from all computer equipment in their possession and certify to the Licensor that they have done so, or otherwise, immediately return to us all copies of the Software which are in your possession, custody or control.
